DETECTO WALL MOUNT HANGING WASTE RECEPTACLES

Perfect for hospitals, doctors' offices, patients' rooms, and laboratory settings. The H Series comes in two different sizes and your choice of stainless steel with white epoxy polyester finish. The receptacles have a self-closing lid for sanitation which also lifts off easily to remove the disposable bag. Not only does the stainless steel and epoxy polyester finish allow for quick, wipe-down cleaning, the Wall Mount Hanging models can be securely positioned just off the ground for easy sweeping and mopping underneath and keeping debris from collecting around the base. Mounting brackets com with all these models. To remove them from the wall, simply slide them up and out of their groove.
